Powerful Government Affairs Presence — NAIOP’s Government Affairs department is dedicated to providing members with an effective voice before policymakers on Capitol Hill and in the Administration. The team provides chapters with the foremost intelligence from state and local governments, and works with our Canadian chapters to advance their political interests. Among its many duties, the Government Affairs team focuses on:

- **Lobbying on your behalf and testifying before Congress** on issues such as the availability of capital and credit, tax policy, energy efficiency and sustainable development, and transportation and infrastructure.
- **Working with broad industry coalitions** on matters important to the industry, such as brownfields policies, wetlands, natural disaster insurance and labor laws.
- **Supporting industry-friendly members of Congress and candidates** through the NAIOP Political Action Committee (NAIOP-PAC).

Business Development and Industry Partners — NAIOP’s business development opportunities give companies a leg up by increasing their publicity and networking capabilities with NAIOP members on both local and corporate levels. Don’t miss out on numerous opportunities to heighten your business profile at competitive rates.

The NAIOP membership benefits are unparalleled:

- **Outstanding Networking Opportunities** — You’ll develop important business relationships and share experiences with colleagues who are among the industry’s leading dealmakers. Additional networking tools NAIOP offers are:
  - **NAIOP National Forums** — Brings together successful commercial real estate leaders in an open environment where you can share knowledge and assist each other on hot topics of interest. Forums members range from experienced executives to Developing Leaders.
  - **Corporate Awards** — NAIOP distinguishes outstanding achievements annually with awards for businesses, individual members and chapters. Some of our awards categories include Developer of the Year, Developing Leaders Award and Chapter Merit Awards.
  - **Online Membership Directory** — Fully searchable, easy to use and a personal profile feature that allows you to add valuable networking information.
  - **Partnership with AMPIP** — NAIOP and AMPIP (Mexican Association of Industrial Parks) allows members from both organizations access to each other’s membership information, discounted pricing for conferences and education resources and strategic alliances to share market insights.
  - **International Insight** — NAIOP has three distinguished chapters in Canada — Calgary, Greater Toronto and Vancouver. Canadian members enjoy the same parallel benefits as their U.S.-based colleagues, and all members benefit from international insights.

Joining NAIOP is the best investment you’ll make.
Leading Education and Resources — Industry education is the foundation of a successful career in commercial real estate. **Look no further than NAIOP for knowledge on the hottest industry topics!** NAIOP’s Center for Education presents online course and Webinar offerings — cost-effective education available at your fingertips — as well as live courses and an optional *Certificate of Advanced Study in Real Estate Development*. Outside of the Center, NAIOP’s comprehensive calendar of conferences will help inspire new ideas and keep you ahead of the curve. Need resources? You won’t find any better than the award-winning *Development* magazine (members receive a complimentary subscription!), updates through an online newsletter and plentiful resources available by instant download in the On Demand Bookstore.

**Strong Chapter Network** — Along with connections with members across North America, NAIOP members also belong to one of NAIOP’s superior local chapters, allowing easy access to market education, as well as additional personalized networking opportunities and legislative affairs efforts.
